Re: United States v. David Wilkins, et al.
SI 07 Cr. 566 (GBD)

Dear Judge Daniels and Counsel:

MEMO ENDORSEMENT

The Grand Jury returned the enclosed superseding Indictment yesterday, which adds the following individuals to the Indictment: Tory Delaney, Robin McMahon, James Gilliard, and Mark Atwater. The Court had previously scheduled a status conference for August 8, 2007, at 9:45 a.m. The Government is in the process of determining whether the defendants would prefer to be arraigned on the superseding Indictment at the August 8, 2007 status conference or sooner. The Government will contact Chambers if it determines that any defendant wishes to be arraigned before August 8. If not, the Government will request that the defendants be arraigned on August 8.

The Government requests an exclusion of time under the Speedy Trial Act, from today until the August 8, 2007, so that the defense and the Government can work towards a disposition in this case. In addition, the Government has been gathering and will be producing discovery within the next two weeks. The ends of justice served by such a continuance outweigh the best interests of the public and the defendant in a speedy trial. See 18 U.S.C. § 3161(h)(8)(A).

Respectfully,

MICHAEL J. GARCIA
United States Attorney
